City Wide Spring Clean Up
9:00 AM—1:00 PM

For a donation, the Fire Department members will be your Heavy Haulers and take care of the heavy lifting for you. Give us a call at the city office and get your name on the schedule. The same disposal fees that are listed for the Spring Clean-Up Day will apply and need to be pre-paid to the city. The Heavy Haulers are an additional service; please donate according to the amount of what they are hauling and how difficult it is to get it to the site. All donations should be paid to the Fire Relief Association and are greatly appreciated. Please be prepared for the Heavy Haulers prior to their arrival. Heavy Haulers will be very careful, however, they are not responsible for damage.

FREE YARD DISPOSAL

Monday, May 7th & Monday, May 21st

The Public Works Department is ready to help with your spring clean-up efforts. Due to the weather of our last now storm, we have added an additional pickup date. They will pick up brush and leaves. Leaves and lawn clipping must be bagged. Brush and branches cannot exceed 6 feet. All paper and garbage must be removed or it cannot be picked up. Call the City Administration Office to put your name on the list and then place your items curbside for pick-up.
